

Swing with Purpose

Golfing for Autism Awareness and Inclusion

Welcome to the Autism Awareness Charity Golf Scramble, a meaningful event aimed at illuminating the lives of individuals with autism. We are proud to host this year's event at the picturesque Indian Hills Golf Course in Bowling Green, KY. This beautiful course, with its lush fairways and stunning vistas, provides the perfect backdrop for a day of golf, community, and compassion.

As you step onto the course, remember that each shot you take is more than just a game; it's a step towards understanding, acceptance, and support for the autism community. This event is not just about playing golf; it's about coming together to make a tangible difference in the lives of those impacted by autism.

We hope you will join us at Indian Hills Golf Course. Together, we're driving towards a brighter future.
